

Dress Code

Lower School Grades 1-5

Colors-both boys and girls

- For both genders, students may wear dark blue, black, or khaki bottoms (denim skirts are allowed for girls), white, black and any shade of pink or blue tops.
- Both tops and bottoms must be solid with no embellishments including tie dyed, text, sequins or patterns of any type (except for JEC-logoed clothes)

White shirts and dark bottoms should be worn on Rosh Chodesh, Yom Ha'Atzma'ut, and Yom Yerushalayim.

Boys

- Kippa and Tzitzis must be worn at all times
 - No shorts, jeans, sweatpants or track pants.
 - Collared shirts with at least 2 buttons
- Closed shoes or sneakers only (no crocs or sandals)

Please note that the dress code applies to our students during all school activities, whether on-site or on outings, whether during normal school hours or during extra-curricular activities, unless otherwise stated.

When visiting the JEC or attending school functions please help us send a consistent message to your children by modeling these standards in an effort to maintain the environment as a Makom Torah. We ask that all men wear Kippot and all women wear a skirt when entering the building.

We thank you for granting us the privilege of partnering with you in providing a wonderful chinuch experience for your children.

Please note that pullover sweatshirts, sweaters, and cardigans that will be worn in the school building must also adhere to the color code, with no logos except for a JEC logo. Please do not wear a sweatshirt in lieu of a shirt.

Girls

- No pants or shorts
- No sheer or low-cut tops
- Sleeve lengths - no sleeveless or capped sleeved shirts
 - Grades 4-5 - sleeves should be close to elbows
- Skirt lengths -
 - Girls grades 1-3 - skirts should be knee length
 - Girls grades 4-5 - skirts should come to the bottom of the knee or below
- No slits on the front of a skirt that go above the knee
- Jumpers and dresses should follow the guidelines for tops and should be solid colored (white, blue, pink, black).
- Closed shoes or sneakers only
